

*Kirby Welding is an  
Equal Opportunity Employer*

## ***Job Announcement***

Position:               **Steel Fabrication Estimator**

Department:           **Kirby Welding (Nashville, TN)**

Date:                    **January 22, 2010**

Kirby Welding, the premier welding fabrication shop in Nashville, TN, has an immediate opening for an experienced Steel Fabrication Estimator.

All interested candidates for this position should contact their immediate Supervisor and Scott Vandewalker, General Manager at Kirby Welding (615-242-2701), to inquire about the position. To be considered for this opportunity, all candidates will need to complete a Kirby Welding Employment Application.

Join Kirby Welding and enjoy meaningful and exciting work, competitive pay, lots of Teamwork, and all of the benefits of living in the great city of Nashville.

### ***Duties Include but are not limited to:***

- Calculate fabrication bids based on customer blueprints and drawings
- Draft and design sketches/drawings for customers using both manual and computer assisted drawing techniques
- Develop long-term relationships with customers

### ***Requirements Include:***

- Prior drafting and/or computer assisted drawing experience
- Strong background of reading and working with blueprints
- Have a prior history of successfully communicating with clients and developing long-term relationships
- Have a proven record of being a self-starting, highly motivated producer, who needs little supervision.
- Good math and diagram reading skills
- Ability to handle multiple tasks at one time
- Have the potential and desire to advance into a future management position
- Prefer a prior background in welding/fabrication
